

## Adult/Senior Feline Comprehensive PMP

The comprehensive program is designed to take care of older patients or pets with chronic conditions who require more advanced diagnostic tools. Even healthy pets that are fortunate enough to have an owner who will not take any chances when it comes to better best friend's health will benefit from this program.

Monthly Payment	\$35.99

## PMP is NOT INSURANCE... It's better!

With insurance, you pay for coverage you may never use. With our Preventive Medicine Programs, you get all the services you pay for in an affordably priced plan that spreads the cost conveniently over twelve months.

## Enroll your cat today.

With a PMP, you'll help your cat live a longer, healthier life while also saving on the overall cost of veterinary care. Each plan more than pays for itself!

## Add Heartworm Prevention and flea control to your Preventive Medicine Program for Additional Savings

	4 mo	8 mo	12 mo
<b>Revolution</b>			
Monthly	\$5 (x 12 mos)	\$10 (x 12 mos)	\$15 (x 12 mos)
Yearly	\$60	\$120	\$174
